

Print blank game board. Using a copy machine you can enlarge the blank game board onto 12" x 18" paper. Cut out tokens and begin playing!

# Art Game Board #1

Blank Game Board / Word Wall

Before starting the game add your own twist. Color, collage or write in the spaces on the game board. Invent art challenges or questions for the blank spaces on the game board using art vocabulary.

General Directions: Players roll the die and follow the instructions on the space where they land. If the space says "Word Wall" the player must pick a word from the word wall and give the definition. If the definition is incorrect the player must move back to their original space. First player to reach the end wins.
